MISSION: To put Christian principles into practice through programs that build healthy spirit, mind and body for all.

THE Y WAY

The Y is a powerful association of men, women, and children of all ages and from all walks of life joined together by a shared passion: to strengthen the foundations of community.

With a commitment to nurturing the potential of kids, promoting healthy living, and fostering a sense of social responsibility, the Y ensures that every individual has access to the essentials needed to learn, grow and thrive.

Though the world may be unpredictable, one thing remains certain – the Y is, and always will be, dedicated to building healthy, confident, connected and secure children, adults, families and communities.

OUR MISSION

To put Christian principles into practice through programs that build healthy spirit, mind and body for all.

OUR CAUSE

At the Y, strengthening community is our cause. We believe that lasting personal and social change can only come about when we work together to invest in our kids, our health and our neighbors. That's why we focus our work in three areas:

- Youth Development – Nurturing the potential of every child and teen.
- Healthy Living – Improving the nation's health and well-being.
- Social Responsibility – Giving back and providing to our neighbors.

ABOUT THE KENOSHA YMCA

For over 85 years we have served the Kenosha community by:

- helping young people develop valuable skills, increasing confidence and self-esteem,
- giving families a place to reconnect and grow stronger together,
- offering older adults a place to stay fit and active.

We offer the chance to make positive choices:

- quality child care opportunities means parents can work to better their lives
- youth sports programs give kids the chance to belong to a team
- healthy lifestyle programs teach us how to lead healthier, more productive lives

WE ARE DEVOTED TO MAKING A DIFFERENCE!

The Kenosha YMCA provides needed opportunity in programs such as child care, youth sports, water safety, senior fitness, before and after school care and day camp. Thanks to the John & Judy Wavro Scholarship Program providing assistance to low income individuals and families is one way we fulfill our commitment to youth development, healthy living and social responsibility. Each year we provide over \$300,000 in membership and child care scholarships to members of our community through the scholarship program. It is our belief that everyone, regardless of economic status, should have the opportunities we offer: everyone should have a place to belong. **'At the Kenosha YMCA, you will not be turned away for membership or programs because of an inability to pay.'**

WELCOME TO THE KENOSHA YMCA 30th ANNUAL GOLF OUTING PLANNING COMMITTEE!

Thank you for agreeing to be a part of our planning committee; together we have the power to change the lives of those less fortunate! As a non-profit organization, fundraisers such as this are essential to our mission. The annual golf outing is our largest fundraiser of the year, and the planning committee plays an integral role in its continued success. This event raises more than \$35,000 each year for the Kenosha YMCA. All proceeds benefit the John & Judy Wavro Scholarship Fund. Whether it be a child care scholarship, allowing a single mother to work without worry or a membership scholarship that assists a family struggling with obesity; these scholarships improve lives right here in Kenosha. In 2016 we awarded \$321,833 in scholarships to Kenosha families.

This years outing will be held at Kenosha Country Club on Thursday, May 17, 2018.

As a member of the committee we would ask that you assist with the following,

- Attend Monthly Committee Meetings
- New Golfer Recruitment
- Sponsorship Recruitment
- Securing Silent Auction / Donation Items
- New Ideas and Suggestions

Committee meetings are held on the third Thursday of every month at Noon at the Kenosha YMCA. Out of respect for everyone's busy schedule these meetings are kept to about an hour and a light lunch is provided.
