FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

Are you looking to connect with more members of the community?

My name is Kristina Ellis, Member Engagement Representative at the Kenosha YMCA, and I would like to personally invite you to participate at our **9th Annual Healthy Living Fair**, which will be held **Saturday, November 13th, 10-2 pm** in the Kenosha YMCA's gymnasium!

This is an excellent opportunity for your healthy living based business/organization to connect with hundreds of people from our community, who will benefit from your services, activity, or healthy living product.

In previous years the Healthy Living Fair has appealed to people of all ages and abilities who have a variety of health interests that target mind, body, & spirit.

The goal of the Healthy Living Fair is to encourage participants to:

- Become aware of their current health status via health screenings.
- Gain knowledge of health-related issues through interactive hands-on experiences.
- Collect information on a variety of topics to help them make healthy decisions.
- Learn more about health-related resources and initiatives that are available in our community.
- Learn more about indoor & outdoor family friendly activities that are available in our community.
- Learn about products, programs and services, together under one roof, for the community of people with disabilities, their families, caregivers, seniors, and healthcare professionals.

I have included a registration form for this event. Please feel free to reach out to me at 262-654-9622 ext.219 or Tenille Fick, Member Engagement Director (ext.235) if you have any questions.

The deadline to have your registration to us is November 5th, 2021.
