YMCA AGE GUIDELINES

In order to provide a safe and positive experience for the youth of our community, the following guidelines related to facility use by YMCA members and guests will apply. "Supervising individuals" are defined as persons 18 years or older.

FACILITY AGE GUIDELINES

The following guidelines apply to all youth not participating in a supervised, structured program while in the facility.

Youth ages 9 and under are required to be directly supervised at all times. Kids' Club is available to all; see above for specifics.

Youth ages 10-12 are required to be accompanied by a supervising individual who remains in the building. This individual does not have to be in the same area as the youth.

Youth ages 13-14 are not required to be accompanied by a supervising individual but need to have a signed 'Youth Code of Conduct' on file. They are required to follow the age policies for specific areas as outlined to the right. Orientation to the facility and equipment is strongly recommended.

AGE GUIDELINES FOR SPECIFIC AREAS

Free Weight/Cardiovascular Areas

Youth age 14 and older may use these areas without supervision.

Youth ages 12-13 are required to complete the Youth Strength Training Class to use this area and need to be accompanied by a supervising individual who is actively monitoring the youth. Youth age 11 and under are not permitted in weight/cardiovascular areas. Appropriate attire is required including athletic shoes.

Pools: See Kueny Aquatic Center Policies at right.

Whirlpool/Sauna/Steam: Members & guests need to be 15 years old to use these facilities.

Locker/Shower Facilities: Youth age 5 and over are required to use the same gender locker room and be accompanied by a supervising individual. The Family Locker Room is also available.

Exercise Classes: Participants need to be 14 years old. Youth ages 11-13 may participate with a supervising individual if they are willing and able to follow class structure.

Walking Track: Youth ages 12-13 are required to complete the Youth Strength Training Class to use this area. Youth age 11 and younger may utilize track if directly supervised by an adult.

Rockwall: Ages 5-9 require direct supervision for Open Climb.

KUENY AQUATIC CENTER POLICIES

LIFEGUARDS AND ADULT SUPERVISION

Our aquatic staff of American Red Cross certified lifeguards strives to maintain the highest standards possible. The goal is to provide patrons with a safe, clean atmosphere in which families can enjoy aquatic fitness and recreation. The purpose of the aquatic staff is not to supervise your child, but to ensure the safety of all facility patrons by preventing and responding to emergencies. Therefore, parents are expected to closely supervise their children and assist in enforcing the policies for the safety and enjoyment of all patrons.

- **Direct Supervision:** an adult (18+) is required to be in a swimsuit and in the water with the child at all times; unless the child is participating in a Y supervised program.
- **Ages 6 and under:** Require Direct Supervision.
- **Ages 7-9:** Require Direct Supervision unless the child can pass the **deep end swim test**; however an adult must remain on the pool deck.
- **Ages 10-17:** Are subject to the **deep end swim test** at the lifeguard's discretion. An adult does not have to remain in the pool area.

The deep-end swim test in the lap pool is... Jump in and level off before beginning to swim, then swim to the lifeguard chair in the middle of the pool using a front paddling stroke, tread at that spot for 15 seconds, swim to the end, and then float at the start for 15 seconds, without assistance.

The deep-end swim test in the instructional pool is... Jump in and level off before beginning to swim, then swim to the lifeguard chair in the middle of the pool using a front paddling stroke, tread at that spot for 15 seconds, swim back to the start, and then float at the start for 15 seconds, without assistance.

PROPER SWIMSUIT ATTIRE IS REQUIRED

In the interest of public health and safety, and in compliance with all local and state laws, patrons need to wear appropriate, clean swimwear and shower prior to entering the pools. Guardians must also be in proper swimsuit attire, so if necessary, they can enter the pool to assist the patrons for whom they are responsible.

Appropriate swimsuit attire is defined as clothing specifically designed for use in the water. They are designed to be quick drying and are generally made from smooth, nylon material. Examples of appropriate swimwear include: swimsuits with a lining, rash guard shirts, board shorts, and swim trunks with an affixed/sewn inner lining. Some examples of inappropriate attire include (but are not limited to) basketball shorts, underwear and/or boxer shorts, sports bras, cotton clothing items of any kind, and lifeguard gear (due to liability issues). Inappropriate attire can damage our pumps and off-set our chemical levels.

FLOTATION DEVICES AND TOYS

At this time, flotation devices and pool toys are welcome at our aquatic facility under the following guidelines:

- Children under the age of 10 may only use flotation devices with an adult or guardian in the water, supervising the child.
- Any flotation device or pool toy must be clean and free of any debris (i.e. sand & beach water residue)
- Flotation devices and/or pool toys will be allowed at the lifeguard's discretion.
- Water wings are strongly discouraged for use as flotation devices. The Y recommends only US Coast Guard approved flotation devices.

Our dance staff is dedicated to teaching your child in a positive and motivating manner. Our program is designed to guide and challenge your child in the Performing Arts.

About the Instructor: Ms. Jordan is currently attending Carthage College majoring in elementary and special education and minoring in dance. On a physical level, Aikido involves joint locks, falls, rolls and throws.

AQUATIC & LESSON FAQ's

WHAT DOES MY CHILD NEED FOR THEIR LESSON?

Proper swimwear is required for all patrons of our facility. Children who are not toilet trained must wear a swim diaper or cloth diaper with plastic pants. Regular disposable diapers are not allowed. Tie-backs for children with long hair will help them swim without the distraction of hair in the face. Towels are provided at our Member Service Desk.

WHY DO WE HAVE TO SHOWER BEFORE SWIMMING?

Kenosha YMCA policy states that showers are required before entering the pool. This policy is in place for the health and safety of the over 300 people who use our pools each day.

CAN I WATCH MY CHILD'S LESSON?

For health & safety purposes only one adult, per student, will be able to observe. Please observe from the benches (instruction pool) or bleachers (lap pool) provided.

IS THERE CHILDCARE FOR GENERAL PUBLIC DURING LESSONS?

Yes...Kids' Club is available for children ages 6 weeks to 9 years. Please refer to page 7 for specifics.

WHAT IF MY CHILD MISSES A CLASS?

Refunds and/or make-up classes will not be offered. The Y offers refunds and or credits upon request for medical reasons only. Upon supplying medical documentation, a pro-rated system will be used and a \$10 processing fee will be deducted from the amount of the refund/credit. Kenosha Y classes are uniformly priced regardless of holidays.

CAN I HELP MY CHILD PROGRESS AT A FASTER RATE?

A child will not move to the next level until he/she has successfully demonstrated the skills required in their current level. Please remember that even though your child may not have advanced to the next level, instructors will individualize within each class, keeping all children challenged. What can you do as a parent? Don't compare children; each child will progress at a pace that's right for them. Always be understanding and encouraging. Your child can practice their skills at home, blowing bubbles during bath time or using "big arms" while watching television. Ask their instructor for additional skills they can work on at home.
