MIRACLE LEAGUE

It's an experience that every kid deserves...

and through the Miracle League it's an experience that every kid can enjoy.

This baseball program for kids with physical and developmental disabilities offers these special kids the opportunity to break through the perceived boundaries of their disabilities, while making new and lasting friendships and having fun.

Kids with special needs aren't the only ones who benefit:

Through the Volunteer Buddies program, able-bodied members of the community are partnered with players to provide playing assistance, encouragement and friendship. Volunteer forms can be found on our website.

Where:

Games are played on the Rotary Miracle Field, at the Y. Custom-designed, with a cushioned synthetic turf surface, the Miracle Field accommodates wheelchairs & walking assistance devices.

Ages:

Kids with physical and developmental disabilities, 3-19 years old

There's just something about baseball that lights up a kid's eyes!
