## **Are you looking to connect with more members of the community?**

My name is Tenille Thornton, Senior Director at the Kenosha YMCA, and I would like to personally invite you to participate at our **11th Annual Kenosha YMCA Healthy Living Fair**, which will be held **Saturday, November 18th, 10-2 pm** in the Kenosha YMCA's gymnasium!

The Healthy Living Fair appeals to people of all ages and abilities who have a variety of health interests that target mind, body, & spirit and it is an excellent opportunity for your healthy living-based business/organization to connect with hundreds of people from our community, who will benefit from your services, activity, or healthy living product!

## **The goal of the Healthy Living Fair is to encourage participants to:**

- Become aware of their current health status via health screenings.
- Gain knowledge of health-related issues through interactive hands-on experiences.
- Collect information on a variety of topics to help them make healthy decisions.
- Learn more about health-related resources and initiatives that are available in our community.
- Learn more about indoor & outdoor family friendly activities that are available in our community.
- Learn about products, programs and services, together under one roof, for the community of people with disabilities, their families, caregivers, seniors, and healthcare professionals.

I have included a registration form for this event. Please feel free to reach out to me if you have any questions.
