YMCA AGE GUIDELINES

In order to provide a safe and positive experience for the youth of our community, the following guidelines related to facility use by YMCA members and guests will apply. "Supervising individuals" are defined as parents or legal guardians.

FACILITY AGE GUIDELINES

The following guidelines apply to all youth not participating in a supervised, structured program while in the facility.

Youth ages 9 and under are required to be directly supervised at all times. Kids' Club is available; see next page for specifics.

Youth ages 10-12 are required to be accompanied by a supervising individual who remains in the building. This individual does not have to be in the same area as the youth.

Youth members ages 13-14 are not required to be accompanied by a supervising individual but need to have a signed 'Youth Code of Conduct' on file. They are required to follow the age policies for specific areas as outlined below. Orientation to the facility and equipment is strongly recommended.

AGE GUIDELINES FOR SPECIFIC AREAS

Free Weight/Cardiovascular Areas: Youth age 14 and older may use these areas without supervision. **Youth ages 12-13 are required to complete the Youth Strength Training Class to use this area and need to be accompanied by a supervising individual who is actively monitoring the youth.** Youth aged 11 and under are not permitted in weight/cardiovascular areas. Appropriate attire is required including athletic shoes.

Pools: See Kueny Aquatic Center Policies.

Whirlpool/Sauna/Steam: Members & guests need to be 15 years old to use these facilities.

Locker/Shower Facilities: Youth age 5 and over are required to use the same gender locker room and be accompanied by a supervising individual. The Family Locker Room is also available.

Exercise Classes: Participants need to be 14 years old. Youth ages 11-13 may participate with a supervising individual if they are willing and able to follow class structure.

Walking Track: Youth ages 12-13 are required to complete the Youth Strength Orientation to use this area. Youth age 11 and younger may utilize track if directly supervised by an adult.

Rockwall: Ages 5-9 require direct supervision for Open Climb.

Our Core Values

At the Y, we demonstrate...

Caring

We show a sincere concern for others.

Honesty

We are truthful in what we say and do.

Respect

We treat each other as we'd all like to be treated.

Responsibility

We are accountable for our promises and actions.

KUENY AQUATIC CENTER POLICIES

LIFEGUARDS AND ADULT SUPERVISION

Our aquatic staff of American Red Cross certified lifeguards strives to maintain the highest standards possible. The goal is to provide patrons with a safe, clean atmosphere in which families can enjoy aquatic fitness and recreation. The purpose of the aquatic staff is not to supervise your child, but to ensure the safety of all facility patrons by preventing and responding to emergencies. Therefore, parents are expected to closely supervise their children and assist in enforcing the policies for the safety and enjoyment of all patrons.

- **Direct Supervision:** an adult (18+) is required to be in a swimsuit and in the water with the child at all times; unless the child is participating in a Y supervised program.
- **Ages 5 and under:** Require Direct Supervision.
- **Ages 6-10:** Require Direct Supervision unless the child can pass the **deep end swim test**; however an adult must remain on the pool deck.
- **Ages 11-18:** Are subject to the **deep end swim test** at the lifeguard's discretion. An adult does not have to remain in the pool area.

The deep-end swim test in the lap pool is... Jump in and level off before beginning to swim, then swim to the lifeguard chair in the middle of the pool using a front paddling stroke, tread at that spot for 15 seconds, swim to the end, and then float at the start for 15 seconds, without assistance.

The deep-end swim test in the instructional pool is... Jump in and level off before beginning to swim, then swim to the lifeguard chair in the middle of the pool using a front paddling stroke, tread at that spot for 15 seconds, swim back to the start, and then float at the start for 15 seconds, without assistance.

PROPER SWIMSUIT ATTIRE IS REQUIRED

In the interest of public health and safety, and in compliance with all local and state laws, patrons need to wear appropriate, clean swimwear and shower prior to entering the pools. Guardians must also be in proper swimsuit attire, so if necessary, they can enter the pool to assist the patrons for whom they are responsible.

Appropriate swimsuit attire is defined as clothing specifically designed for use in the water. They are designed to be quick drying and are generally made from smooth, nylon material. Examples of appropriate swimwear include: swimsuits with a lining, rash guard shirts, board shorts, and swim trunks with an affixed/sewn inner lining. Some examples of inappropriate attire include (but are not limited to) basketball shorts, underwear and/or boxer shorts, sports bras, cotton clothing items of any kind, and lifeguard gear (due to liability issues). Inappropriate attire can damage our pumps and off-set our chemical levels.

FLOTATION DEVICES AND TOYS

At this time, flotation devices and pool toys are welcome at our aquatic facility under the following guidelines:

- Children under the age of 10 may only use flotation devices with an adult or guardian in the water, supervising the child.
- Any flotation device or pool toy must be clean and free of any debris (i.e. sand & beach water residue)
- Flotation devices and/or pool toys will be allowed at the lifeguard's discretion.
- Water wings are strongly discouraged for use as flotation devices. The Y recommends only US Coast Guard approved flotation devices.

FIND YOUR REASON TO GIVE BACK.

VOLUNTEERS ARE AT THE HEART OF THE Y.

We were founded by a volunteer and we continue to be governed by volunteers. When you volunteer at the Y, you take an active role in bringing about meaningful, enduring change right in your own neighborhood. Take a look at some of the volunteer opportunities we have, and find your reason to give back. FIND YOUR Y.

Achievers

This program is dedicated to helping students reach their full potential academically and socially in several of our local elementary & middle schools. Volunteer Tutors work one on one with students twice a week specifically in math and/or reading. Volunteer Mentors also work one on one with students, but have a varied schedule. Mentors may share a special skill or hobbies with students and join in on special events. Our Tutors and Mentors are vital to the success of our Achievers Students.

Fall Fest

This family focused festival is a vibrant celebration filled with fun activities for all ages. Volunteers play a vital role in organizing and running the festival, assisting with children's games, crafts, food vendors, and event setup.

Feeding Families

This program compassionately comes alongside families who are in need of temporary assistance with groceries. Each Thursday, volunteers and Y Achievers staff join together to unload trucks of donated food items, organize into boxes for each family and distribute the boxes as families arrive to pick them up.

Miracle League

Miracle League is a baseball program for kids with physical and developmental disabilities. As a volunteer buddy, you will support and encourage players on the field, helping them navigate the game and ensuring they have a memorable experience.
