MISSION: To put Christian principles into practice through programs that build healthy spirit, mind and body for all.

MAKING A DIFFERENCE IN OUR COMMUNITY

When you support YMCA fundraising events such as the Annual Golf Outing you are helping to improve our community as monies raised directly benefits our scholarship program. Allowing us to provide a safe place where kids can go to gain confidence and self-esteem, a place where families can reconnect and grow stronger together, and a place where older adults can stay active and social.

LIVESTRONG® at the YMCA helps adult cancer survivors reclaim their health and well-being following a cancer diagnosis. Survivors can improve their strength and physical fitness, diminish the severity of therapy side effects, develop supportive relationships, and improve their quality of life...at no cost to the participant.

The Miracle League gives a child with disabilities the chance to play baseball. Offered at no cost to all participants.

Swimming lessons teach children to be safe in and around water. Scholarships are available to ensure everyone has the chance to enjoy the water.
