## YMCA AGE GUIDELINES

In order to provide a safe and positive experience for the youth of our community, the following guidelines related to facility use by YMCA members and guests will apply. "Supervising individuals" are defined as parents or legal guardians.

### FACILITY AGE GUIDELINES

The following guidelines apply to all youth not participating in a supervised, structured program while in the facility.

Youth ages 9 and under are required to be directly supervised at all times. Kids' Club is available; see next page for specifics.

Youth ages 10-12 are required to be accompanied by a supervising individual who remains in the building. This individual does not have to be in the same area as the youth.

Youth members ages 13-14 are not required to be accompanied by a supervising individual but need to have a signed 'Youth Code of Conduct' on file. They are required to follow the age policies for specific areas as outlined below. Orientation to the facility and equipment is strongly recommended.

### AGE GUIDELINES FOR SPECIFIC AREAS

**Free Weight/Cardiovascular Areas:** Youth age 14 and older may use these areas without supervision. **Youth ages 12-13 are required to complete the Youth Strength Training Class to use this area and need to be accompanied by a supervising individual who is actively monitoring the youth.** Youth aged 11 and under are not permitted in weight/cardiovascular areas. Appropriate attire is required including athletic shoes.

**Pools:** See Kueny Aquatic Center Policies.

**Whirlpool/Sauna/Steam Room:** Members & guests need to be 15 years old to use these facilities.

**Locker/Shower Facilities:** Youth age 5 and over are required to use the same gender locker room and be accompanied by a supervising individual. The Family Locker Room is also available.

**Exercise Classes:** Participants need to be 14 years old. Youth ages 11-13 may participate with a supervising individual if they are willing and able to follow class structure.

**Walking Track:** Youth ages 12-13 are required to complete the Youth Strength Orientation to use this area. Youth age 11 and younger may utilize track if directly supervised by an adult.

# KUENY AQUATIC CENTER POLICIES

## LIFEGUARDS AND ADULT SUPERVISION

Our aquatic staff of American Red Cross certified lifeguards strives to maintain the highest standards possible. The goal is to provide patrons with a safe, clean atmosphere in which families can enjoy aquatic fitness and recreation. The purpose of the aquatic staff is not to supervise your child, but to ensure the safety of all facility patrons by preventing and responding to emergencies. Therefore, parents are expected to closely supervise their children and assist in enforcing the policies for the safety and enjoyment of all patrons.

- **Ages 5 and under:** A parent or guardian must accompany their children into the water and be within arms reach of their children in the water at all times unless your child is a participant in a Y supervised program.
- **Ages 6-10:** A parent or guardian must have an adult in the pool area unless your child is a participant in a Y supervised program. The adult must be in the water if the child cannot pass the **deep end test** or stand in the pool. In the Instructional pool, if not in the water, the parent or guardian must stay on the pool deck or sit on the benches in the Instructional Pool viewing area. In the Lap pool, if not in the water, the parent or guardian must be on the bleachers or the pool deck.
- **Ages 11-18:** Are subject to the **deep end swim test** at the lifeguard's discretion. However, the parent or guardian does not have to remain in the pool area.
- The lifeguard or other aquatic staff may require a parent or guardian to be in the water or remain in the area regardless of age depending on the skills of the swimmer(s).
- The ratio of children under the age of 8 to one adult should not exceed three children.

**The deep-end swim test in the lap pool is...** Jump in and level off before beginning to swim, swim to the lifeguard chair in the middle of the pool using a front paddling stroke, tread at that spot for 15 seconds, swim to the end, and then float at the start for 15 seconds, without assistance.

**The deep-end swim test in the instructional pool is...** Jump in and level off starting at the ladder, swim to the ladder on the other side of the pool using a front paddling stroke, float on your back at that spot for 15 seconds, flip on their front swim back to the start without assistance or touching the wall or floor of the pool.

## FLOTATION DEVICES AND TOYS

At this time, flotation devices and pool toys are welcome at our aquatic facility under the following guidelines:

- Children under the age of 10 may only use flotation devices with an adult or guardian in the water, supervising the child.
- Any flotation device or pool toy must be clean and free of any debris (i.e. sand, beach water residue)
- Flotation devices and/or pool toys will be allowed at the lifeguard's discretion.
- Water wings are strongly discouraged for use as flotation devices. The YMCA recommends only US Coast Guard approved flotation devices.

## PROPER SWIMSUIT ATTIRE IS REQUIRED

In the interest of public health and safety, and in compliance with all local and state laws, patrons need to wear appropriate, clean swimwear and shower prior to entering the pool at the Kenosha YMCA Kueny Aquatic Center. Guardians must also be in proper swimsuit attire, so that if necessary, they can enter the pool to assist the patrons for whom they are responsible.

**Appropriate swimsuit attire is defined as clothing specifically designed for use in the water.** They are designed to be quick drying and are generally made from smooth, nylon material. Examples of appropriate swimwear include: swimsuits with a lining, rash guard shirts, board shorts, and swim trunks with an affixed/sewn inner lining. All swimwear must be appropriate for a public environment. Revealing and see through attire is prohibited as is clothing that was worn for exercise prior to using the pool. Other examples of inappropriate attire include (but are not limited to) basketball shorts, underwear and/or boxer shorts, sports bras, thong bottoms, cotton clothing items of any kind, and lifeguard gear (due to liability issues). Inappropriate attire can damage our pumps and off-set our chemical levels.

Participants that are not toiled trained are required to wear training pants or pool diapers under their swimwear.

## EXAMPLES OF APPROVED SWIM ATTIRE

All swimwear should be designed for use in the water.

# FIND YOUR REASON TO GIVE BACK.

## VOLUNTEERS ARE AT THE HEART OF THE Y.

We were founded by a volunteer and we continue to be governed by volunteers. When you volunteer at the Y, you take an active role in bringing about meaningful, enduring change right in your own neighborhood. Take a look at some of the volunteer opportunities we have, and find your reason to give back. FIND YOUR Y.

### Achievers\*

This program is dedicated to helping students reach their full potential academically and socially in several of our local elementary & middle schools. Volunteer Tutors work one on one with students twice a week specifically in math and/or reading. Volunteer Mentors also work one on one with students, but have a varied schedule. Mentors may share a special skill or hobbies with students and join in on special events. Our Tutors and Mentors are vital to the success of our Achievers Students.

**\*There is currently a great need for volunteer Achievers tutors. High School Juniors and Seniors are encouraged to apply – this is a perfect opportunity to earn required Community Service hours.**

### Feeding Families

This program compassionately comes alongside families who are in need of temporary assistance with groceries. Each Thursday, volunteers and Y Achievers staff join together to unload trucks of donated food items, organize into boxes for each family and distribute the boxes as families arrive to pick them up.

### Special Events

The YMCA hosts several one-day special events throughout the year where volunteers are always needed. These events include fundraisers and community service awareness efforts to support the Y's initiatives. YOU can make a difference with only a couple hours a YEAR! Special events are also a great opportunity for large groups to volunteer together, but work on different tasks that are of interest to them.

### Miracle League

Miracle League is a baseball program for kids with physical and developmental disabilities. As a volunteer buddy, you will support and encourage players on the field, helping them navigate the game and ensuring they have a memorable experience.
