PROGRAM OVERVIEW

MISSION

To put Christian principles into practice through programs that build healthy spirit, mind, and body for all.

PHILOSOPHY

The Youth & Family Department is an advocate for youth and families. We support our mission by offering programs that will nurture and encourage children while teaching character values of honesty, responsibility, caring and respect.

PROGRAM HOURS

9:00 AM – 4:00 PM; Monday–Friday for Full Day Camp
Extended Care (included) 6:30 am to 9:00 am and 4:00pm to 6:00pm

PROGRAM DATES

Our Program runs from June 15th –August 21st, 2026

GROUP SIZE

Our programs will keep a 1:12/ 1:15 ratio. Kenosha Summer Campers will be divided into age groups. The site is licensed for 92 children including our early childhood program.

STAFF

The Kenosha YMCA takes pride in the staff we hire. We look for people with a strong character, motivation to learn new things, and a love of kids. Our staff is fully trained to deal with all aspects of camp including being CPR & First Aid certified. We believe the most important elements of a positive camp experience are the safety and well-being of your children.

SCHOLARSHIPS

Scholarships are available for families with low income that have been declined from the Kenosha County Job Center's Wisconsin Shares Program. See the Membership Service Desk or Summer Site Director for the application. Parents will be asked to submit two income verification statements and the letter verifying the Wisconsin Shares Program declined services with the scholarship application. Scholarships are processed in 1–2 weeks by the Youth & Family Director or Assistant Director.

WEEKLY THEMES

This summer children will enjoy weekly themes to bring together activities like science, arts & crafts, large motor activities, sports, skits, and songs. The themes this summer are based on Adventures. Each week campers will explore a new adventure. Content will be taught through a variety of hands-on activities.

FIELD TRIPS

Children will enjoy weekly field trips. Most of the field trips are free of charge. Field trip permission slips will be signed and returned before children are allowed to participate in any off-site field trips. Children are required to participate in these field trips. If your child is unable to, we ask that you make alternate arrangements as no staff stay behind.

Tuesdays = Preschool; Wednesday = K-1st grade; Thursdays = 2nd-3rd grade; Fridays = 4th-5th grade.

*Dates and times TBA, some days subject to change

TRANSPORTATION

Children will be transported using the YMCA shuttles. Attendance will be taken as the children are boarding the bus and again upon arrival. After the children have exited the bus, the driver will then do a walk through to make sure that all children have departed and turn off the alarm to indicate that all is well. A copy of each child's enrollment papers will be kept on the bus which includes information concerning emergency contact numbers and medical status and consent for emergency medical treatment. A binder with routes, directions, and scheduled stops shall also be kept on each bus.

INCLEMENT WEATHER

Children will stay inside during heavy rain and heat advisory days.

SWIMMING

Recreational swimming is available as a club option. A certified lifeguard will be on duty while children are swimming with staff. Each child interested in leaving the shallow end will need to complete a swim test with the lifeguard, swimming an entire length of the pool. Documentation of the assessment will be kept in the child's file. The waterfront supervisor will make sure that the children are monitored using the buddy system, taking attendance every 15 minutes when the children are required to get out of the pool and rest a bit before returning to swim, as well as lifeguard and staff observations of the children while swimming. In addition, attendance will be taken before entering the pool initially and after leaving the pool to begin another activity.

ADDITIONAL CLASSES

The Kenosha YMCA offers additional programs at the Callahan Family Branch. Parents can register campers for these programs while participating in the camps located at CFB. Please see staff for more information. We'll be happy to walk them to and from the program area if we have available staff to do so.

DRESS

Dress or pack clothes for your child using the layering system. We will generally be outdoors all day. Children should wear rubber soled shoes covering the toes (no crocs), preferably gym shoes and comfortable clothing and NO Sandals unless the toes are covered, and they have a strap for the back of the heel.

ARRIVAL & DEPARTURE

ARRIVING

When arriving between 6:30–9:00 am campers will meet at 'Camp Central' located on the South side of the building by the Miracle Field. There is a large white tent with Sign-In tables. When arriving, parents will check your child in using the Brightwheel app. Children will put their belongings in their camp's designated area, generally a basket.

Arrival during inclement weather: You will receive a message via the Brightwheel app regarding any changes to this process. Campers arriving late to the YMCA (after 9:00am) are required to obtain prior approval.

DEPARTING

When departing, the pick-up person will need to show a picture I.D. each day, corresponding with the authorized names listed on each enrollment form before a child can be released. For indoor pickup (ex. inclement weather), the pick-up person would need to provide their Pick Up Pass. Parents can add people to their pick-up list by editing their YMCA account and editing the contacts in your Brightwheel profile. If campers need to be picked up prior to end of day (before 4:00pm), prior notice is required, and pickup will then be at 12:30pm.

ABSENCE

Please contact the Camp Room via Brightwheel before 8:30am if your child will be absent from a scheduled day. We ask for a two-week notice if a child will no longer be attending. If a child does not arrive as expected, and there has been no communication that such a change should be taking place, then a staff member will contact the parents (guardians) to verify that the child will not be attending that day.

LATE POLICY

Our Wisconsin State license requires all children to be picked up by 6:00pm. In an emergency, please contact the site before 6:00pm to make other arrangements. Late fees apply. If parents do not call and staff cannot contact parents by 6:30pm, the child will be escorted by the sheriff or police to: Kenosha Human Development Services, 5407 8th Avenue, Kenosha. 262.657.7188.

COMMUNICATION

Brightwheel will be our primary source of communication. Please have your notifications turned on to receive flyers and all other information as it becomes available.

UNDER THE INFLUENCE POLICY

The Kenosha YMCA has a "No Tolerance" policy in regard to drugs or alcohol on-site or individuals that are inebriated on-site. Police will be notified if staff suspects anyone is under the influence including participants, parents & family, etc. picking children up.

HEALTH & SAFETY

PARTICIPATION

All children and staff in the Kenosha YMCA programs will be free of illness and able to participate in all activities.

ILL CHILD

The safety and wellbeing of all staff, children, and the families at the Kenosha YMCA continues to be of utmost importance to us. We always commit to taking all precautions toward keeping children and staff safe and healthy. Following this sick child policy will help the Kenosha YMCA to do this.

Children will be asked to stay home or return home if any of the following applies:

- Have a fever of 100.4 or higher
- Have had a fever of 100.4 or higher or other potential symptoms of COVID-19, such as shortness of breath, sore throat or persistent dry cough, within the last 72 hours
- Have come in contact with others who have been identified as positive or probable for COVID-19

To prevent the spread of COVID-19:

- Children with signs/symptoms of COVID-19 or who have been exposed to others with COVID-19 will be asked to stay home
- Children who develop signs/symptoms of COVID-19 while at the program will be immediately separated from others and the program staff will contact the family member and/or emergency contact to pick the child up
- Any ill child will be isolated from healthy campers and provided with a sleeping bag or mat while a parent is contacted to pick up their child. Parents are responsible for picking up any sick child from the program immediately.

OTHER COMMUNICABLE DISEASE

Any child with a communicable disease; such as (but not limited to) whooping cough, diphtheria, meningitis, chicken pox, will be reported to the local public health officer by the Youth & Family Director as the state requires. Parents will be notified of possible exposure through a letter on the Brightwheel app.

HEAD LICE

We adhere to a "no nit" (eggs) policy. If a child is sent home with lice, the child must be rechecked upon re-entry into program by Youth & Family staff.

MEDICATION

If a child is required to take medication at the YMCA, parents/guardians must complete a "Medication Authorization Form." According to state licensing regulations, the medication must be kept in its original container and clearly state the following information: child's name, doctor's name, prescribed dosage, and date issued. The program site stores all medication in a locked safe place, well out of reach of the children. (Inhalers can be kept with children 9+ years old). We maintain dated records, which include the amount of medicine dispensed and the name of the staff person who administered the medication. We will provide refrigeration when necessary. Medications will be returned to you or properly disposed of when they are no longer required by your child. Non-prescriptive medications, i.e. Tylenol, aspirin, cough medicine are not dispensed by our staff.

INJURIES

Parents will be notified of all injuries via an Incident Report on Brightwheel. In the case of serious injury, you will also be asked to sign an Accident Report at the end of the day, verifying notification. Staff will keep a First Aid Kit with them and wear gloves to treat injuries accordingly. Parents will be called immediately if an injury involves the child's head.

EMERGENCY CARE

In the event that 911 is called for an injured child, parents will be contacted immediately. Staff will accompany the child in the ambulance and meet the parents at the hospital. The enrollment form gives authorization for emergency care. If the child is at the YMCA when needing emergency transportation to the hospital, Saint Catherine's will be the hospital of arrival (closest to Kenosha YMCA).

SAFETY DRILLS

All programs will do monthly fire, tornado and safety drills. Our parent board shows a written record of drills, exit plans and a designated safe location.

MANDATORY REPORTER

Kenosha YMCA staff are advocates for children. Wisconsin State Licensing require that staff contact social services if there is any suspicion of child abuse, which includes physical or sexual abuse and/or neglect.

NUTRITION

The YMCA Healthy Eating and Physical Activity (HEPA) teaches children how to make healthy food choices and to enjoy physical activity, contributing to their social and physical development.

Staff in charge of the preparation of meals are trained under the guidelines of the CACFP program. This includes, but is not limited to training in food preparation, nutritional guidelines, and processing of reports and program forms.

Y STAFF AS ROLE MODELS

Y staff will model healthy eating behaviors at all times. This includes consuming the same foods and beverages as children during meals and snacks (if possible) and avoiding consumption of foods or beverages that are inconsistent with the HEPA standards during program time.

SNACKS & MEALS

Snacks and Meals will be served Family Style. Staff will monitor mealtimes to assist children as needed. Children are encouraged and guided to participate in age- appropriate preparation of snacks/meals. Children will wear gloves, as do the staff, when preparing snacks/meals.

DISCIPLINE

OVERVIEW

The Youth & Family Department believes children act out and misbehave to communicate a need that is not being met. Our goal is to keep all children safe and understand what each child's needs are to prevent misbehavior while teaching communication skills so children can find other ways to express their needs.

CHILDREN'S NEEDS

Our programs are created to meet primary and secondary needs. We ask for parent's support by providing these needs at home too.

Primary Needs

Primary needs are the absolute essential needs each person has:

- Food & Drink for snacks and mealtimes
- Sleep; 9-12 hours a night

Secondary Needs

Secondary needs are psychological and learned:

- A sense of belonging and to feel part of a group
- To know what's going to happen next
- Health Care for when children are sick or hurt
- A loving relationship
- To feel success
- To assert oneself, have status, and make decisions

COMMUNICATION

Our staff will always treat children with respect while communicating any concerns about behavior. We will also give children an opportunity to explain their behavior as we work to resolve the situation.

Parents will be made aware of general behavior issues at the end of the program. However, a phone call will be made for any immediate concerns.

BEHAVIOR GUIDELINES

We use YMCA character values for behavior expectations. At each location, children and staff will define these values. We model and we expect: Caring, Honesty, Respect & Responsibility.

CONSEQUENCES

We believe consequences for behavior should directly relate to the misbehavior to teach appropriate behavior.

VIOLENCE, PROFANITY, VERBAL ABUSE, "BULLYING"

Children that put themselves or others in danger, verbally assault others through use of profane language or racial/discriminating remarks or denigrating language or seek to cause harm will need to be picked up immediately if the child cannot regain control of their behavior and behave appropriately. If staff is not able to resolve a situation with

the child before the parent/ guardian can get them, the police or juvenile crisis will be contacted. All issues will involve working with the parents to try and meet the child's and program needs. (Acts of violence are defined as excessive: physical altercations, profanity, and defiance towards either another child or staff member).

TERMINATION

Children can be terminated from the program based on the camper or parent's behavior at the discretion of the Youth & Family Director.

The process for dismissal from the program includes that of a meeting between the parents (or guardians), all staff involved with the care of the child, the Youth and Family Director, and other professionals (i.e. counselor, teachers, psychologist/psychiatrist) that may be part of the child's care. The purpose of the meeting would be to determine the extent to which it would be beneficial for the child to remain in the program and the degree of benefit to the other children should the child remain. Information such as factors contributing to the consistent inappropriate behavior, review of the effectiveness of behavior plans and guidance strategies, the level of impact in the lives of the other children, etc....will be used to make the determination of whether the child should stay, or enrollment be discontinued.

If the determination is that the best interest of the child would be served by no longer being part of the program, then dismissal would take effect immediately and any past due balances would need to be paid within one week from the day of decision.

GRIEVANCES

We invite parents to offer suggestions, questions or concerns at any time to the Site Director. At the end of the summer, parents will be offered an evaluation to let us know how we're doing. We love the feedback and adjust our programs accordingly. If you have additional comments or concerns, we ask that you first contact your child's Lead Staff or Camp Counselor. If that does not meet your needs, contact the Youth and Family Director.

NON-DISCRIMINATION STATEMENT
