KUENY AQUATIC CENTER POLICIES

LIFEGUARDS AND ADULT SUPERVISION

Our aquatic staff of American Red Cross certified lifeguards strives to maintain the highest standards possible. The goal is to provide patrons with a safe, clean atmosphere in which families can enjoy aquatic fitness and recreation. The purpose of the aquatic staff is not to supervise your child, but to ensure the safety of all facility patrons by preventing and responding to emergencies. Therefore, parents are expected to closely supervise their children and assist in enforcing the policies for the safety and enjoyment of all patrons.

The following guidelines apply to youth not participating in a supervised, structured program.^^

- **Ages 0-6:** A responsible adult is required to always be in the pool with the swimmer.
- **Ages 7-11:** Swimmer is required to have a responsible adult in the **pool observation area** (see below). The adult is required to be in the water if the child cannot pass the **deep end test** or stand in the pool.
 - » **Instructional Pool Observations Areas:** If not in the water, the adult must remain on the pool deck or sit on the benches in the Instructional Pool viewing area.
 - » **Lap Pool Observations Areas:** If not in the water, the adult must be on the bleachers or the pool deck.
- **Ages 12+:** Are subject to the **deep end swim test** at the lifeguard's discretion. However, a responsible adult does not have to remain in the pool area.
- The ratio of children under the age of 8 to one responsible adult should not exceed three children.

The lifeguard or other aquatic staff may require the responsible adult to be in the water within arm's reach of the swimmer, in the water with the swimmer, or remain in the area regardless of age depending on the skills of the swimmer(s).

The deep-end swim test in the lap pool is... Jump in and level off before beginning to swim, swim to the lifeguard chair in the middle of the pool using a front paddling stroke, tread at that spot for 15 seconds, swim to the end, and then float at the start for 15 seconds, without assistance.

The deep-end swim test in the instructional pool is... Jump in and level off starting at the ladder, swim to the ladder on the other side of the pool using a front paddling stroke, float on your back at that spot for 15 seconds, flip on their front swim back to the start without assistance or touching the wall or floor of the pool.

FLOTATION DEVICES AND TOYS

At this time, flotation devices and pool toys are welcome at our aquatic facility under the following guidelines:

- Children under the age of 10 may only use flotation devices with an adult or guardian in the water, supervising the child.
- Any flotation device or pool toy must be clean and free of any debris (i.e. sand, beach water residue)
- Flotation devices and/or pool toys will be allowed at the lifeguard's discretion.

POOL MAXIMUM OCCUPANCY

To ensure a safe and enjoyable experience for everyone, our pools have a maximum occupancy limit. When the limit is reached, a sign will be posted at the pool entrance. If you see this sign, we kindly ask for your patience and understanding. You may need to wait until space becomes available.

PROPER SWIMSUIT ATTIRE IS REQUIRED

In the interest of public health and safety, and in compliance with all local and state laws, patrons need to wear appropriate, clean swimwear and shower prior to entering the pool at the Kenosha YMCA Kueny Aquatic Center. Guardians must also be in proper swimsuit attire, so that if necessary, they can enter the pool to assist the patrons for whom they are responsible.

Appropriate swimsuit attire is defined as clothing specifically designed for use in the water. They are designed to be quick drying and are generally made from smooth, nylon material. Examples of appropriate swimwear include: swimsuits with a lining, rash guard shirts, board shorts, and swim trunks with an affixed/sewn inner lining. All swimwear must be appropriate for a public environment. Revealing and see through attire is prohibited as is clothing that was worn for exercise prior to using the pool. Other examples of inappropriate attire include (but are not limited to) basketball shorts, underwear and/or boxer shorts, sports bras, thong bottoms, cotton clothing items of any kind, and lifeguard gear (due to liability issues). Inappropriate attire can damage our pumps and off-set our chemical levels.

Participants that are not toilet trained are required to wear training pants or pool diapers under their swimwear.

EXAMPLES OF APPROVED SWIM ATTIRE

All swimwear should be designed for use in the water.

FIND YOUR REASON TO GIVE BACK.

VOLUNTEERS ARE AT THE HEART OF THE Y.

We were founded by a volunteer and we continue to be governed by volunteers. When you volunteer at the Y, you take an active role in bringing about meaningful, enduring change right in your own neighborhood. Take a look at some of the volunteer opportunities we have, and find your reason to give back.

Achievers

Achievers helps students in local elementary and middle schools grow academically and socially through one-on-one support. Volunteer **Tutors** work with students twice a week in math and/or reading, while **Mentors** offer encouragement, share skills and hobbies, and participate in special activities.

► High School & College Students: Volunteer Tutors Needed!

Help elementary students strengthen their math and reading skills while earning community service hours. Tutor twice a week and make a meaningful difference in a child's confidence and success.

Feeding Families

This program compassionately comes alongside families who are in need of temporary assistance with groceries. Each Thursday, volunteers and Y Achievers staff join together to unload trucks of donated food items, organize into boxes for each family and distribute the boxes as families arrive to pick them up.

Special Events

The YMCA hosts several one-day special events throughout the year where volunteers are always needed. These events include fundraisers and community service awareness efforts to support the Y's initiatives. YOU can make a difference with only a couple hours a YEAR! Special events are also a great opportunity for large groups to volunteer together, but work on different tasks that are of interest to them.

Miracle League

Miracle League is a baseball program for kids with physical and developmental disabilities. As a volunteer buddy, you will support and encourage players on the field, helping them navigate the game and ensuring they have a memorable experience.
